

Parental Agreement to Changing a Child

Moulton Preschool agrees to:

- Change the child during a single session should the child soil themselves or become uncomfortably wet, including children with additional needs.
- Minimise disruption to the child's participation in the daily routines and experiences
- Monitor the number of times the child is changed in order to identify progress made.
- Report to the parent / Carer, and/or others should the child be distressed, or marks /rashes are seen.
- The implementation of individual toilet training programme.
- Review arrangements should this be necessary.
